My mom said we were going to the park for the day. I love to take my dog to the park. His name is Cooper. He likes to walk and chase the ball. At the park, I swing and swing and then go down the slide. We packed a picnic for lunch. I had a peanut butter sandwich and watermelon for a snack. After lunch, we kicked the soccer ball back and forth. Cooper chased the ball. After a while I was tired. When we got home, I took a nap with Cooper. We had a busy and fun day at the park.
