

The First Day of School

Flesch-Kincaid: 2.6 | Words: 96

Amy wakes up with a smile on her face. Today is the first day of school. She is very excited to meet her teacher and see her friends. She has been planning for this day for weeks. She has a new dress and sandals to wear. She has a smiley face backpack for all her supplies. She has new pencils, erasers and glue. Her lunchbox is pink and yellow with a blue water bottle. She always takes her lunch to school. Amy loves to learn and wonders what new things she will learn in second grade.
